CFS TALK

Last week the students listened to CFS volunteer Mitch talk to the Year 5 students about his experience fighting the recent bushfires in South Australia. We were grateful that he took the time to speak with us about the devastating fires at Kangaroo Island and Cuddly Creek as not only does he fight fires, but he is also very busy building our new library. This talk has helped the students better understand bushfires and the effects on the environment, as this is their HASS topic for Term 1.

Congratulations to:

Presidents - Ruby Harley and Lachlan Huddy
Vice Presidents - Mia Kuerschner and Lucas Van Rens

Student Voice Executive members - Max, Freddy, Carolyn, Abby, Lili, Baylee, Hayden and Kyetrel will have other leadership opportunities. These along with the rest of the Student Voice Representatives for 2020 will be announced in the next newsletter.

SEA WEEK BEACH EXCURSION

Westport's Sea Week Beach excursion is on Friday, February 21, 2020 at Point Malcolm Reserve Semaphore, adjacent to the Semaphore Surf Life Saving Club.

The General Permission form 'Participate in Local Excursions' section covers student participation on this excursion. We will transport all students to and from the beach by bus, at no charge. Parents are especially invited to join us but they will need to provide their own means of getting to and from the beach.

Students **will not be swimming** but they do need to wear pants, shorts or skirts that can withstand being wet by salt water. Thongs can be brought in bag for beach only. **School uniform MUST BE WORN for identification purposes.**

IMPORTANT!

- ALL students need to have an approved SUN SMART HAT, broad brimmed or Legionaries type. We ask parents to apply sunblock before school; students may bring sunblock to reapply as necessary.
- Please check the weather forecast and dress your children to best suit conditions.
- Students take a 'beach snack' and drink, packed separately from their school lunch.
