

JUNE 2021

Reconciliation Week

Our FringeDigenous community event held last Friday evening was beyond spectacular! To see our community come together, enjoying the festivities, celebrating our students achievements and appreciating local talent was wonderful. We are so lucky to have a community that embraces one another and rejoices in what makes us so special. The evening was perfect. The rain held off, the food was delicious, the entertainment amazing and the feeling of joy and happiness was infectious. A huge congratulations to all that made it possible. We cannot wait for the next one!

Sports Update

What a great start it has been to Sport this term at Westport! In school sport, we have entered 3 basketball teams and 6 soccer teams who have all made great starts to their seasons! Training will continue Monday's for basketball & Wednesday's for soccer at lunch time.

In the SAPSASA Knockout Competitions, our Westport Girls won through to Round 2 of the Small Schools netball competition by beating Pennington and Hendon Primary in Round 1. The girls played extremely well together and are looking forward to Round 2 early next term. Round 1 of boy's netball and boy's and girl's soccer will be played during Week 8. We wish the best of luck to all students involved and look out for results once the games are complete!

Port Districts soccer trainings are starting this week for year 6 & year 7 Boys and Girls. If your child is interested in training, please ask for a note from the front office. Congratulations to Abby and the Port District Girls netball team on winning SAPSASA Girls Division 2 netball competition and best of luck to Patrick in the State softball championships this week!

It is the final weeks until Colour Fun Run on Friday 25th June!! We are all so excited to get colourful and complete the obstacle challenges! Share your profile to boost your fundraising total. Every dollar counts!! We hope you are as excited as we are!

Joseph Haines
Sports Coordinator

Principal's Corner

What a busy few weeks we have had! FringeDigenous obviously being the main event. We were so happy with how positively our community responded. I would like to again highlight the outstanding effort of ALL Westport staff and parent volunteers led by our superstar committee. 😊

Teachers have been busy writing reports and we continue to have multiple visitors from around the state to see just what is going on at Westport!

Families are very welcome to attend our Colour Fun Run – just remember to sign in and social distance. More details to come.

Mark Your Calendar

Monday 14th of June

Queen's Birthday

Sent to you via TEXT 📱
- 2 Edit your profile avatar
- 3 Start Fundraising NOW!
Cash and online donations accepted

WIN PRIZES AND TRIBE TOKENS!

Fidget Tools

Fidget tools such as Pop Its, spinners, etc are not to be brought to school. They are becoming a distraction and causing issues in the yard. If students need a fidget tool to support regulation or concentration, their class teacher will provide them with one to use.

Public Education Awards

Is there a staff member at WESTPORT who goes above and beyond ?

Nominate them for a Public Education Award !

The Public Education Awards celebrate the dedication and outstanding contributions made by Department for Education employees

CATEGORIES
