

April 2023

## Port SAPSASA Athletics

After a huge win in the small schools athletics competition in 2022, it was a giant leap to be entered into the large schools program for 2023.

Our students spent Term 1 refining their skills during the Specialist Sports Program each Friday afternoon, preparing for the big day.

On Tuesday 28 March, the day arrived. Our athletes were primed and ready. They were not only fierce competitors but displayed kindness and incredible sportsmanship throughout the day.

By the end of the afternoon we knew the scores were tight. West Lakes Shore would be difficult to beat after winning 39 of the last 40 years. Against the odds, Westport came away CHAMPIONS for 2023!! 🏆

A huge congratulations to all our students who competed. To Mr Haines, Ms Philis and Ms Larking, your expertise as coaches and supporters has been a game changer for our athletes. A big thankyou also to the parents who volunteered as officials on the day. #TeamWestport 😊

## Leaders Camp

On Wednesday 22 March, our 2023 Westport Leadership team along with Mrs Craddock, Mr Haines & Mr Dylan, spent the day and night at the AFL Max Leaders Camp. Students focused on goal setting, problem-solving, communication and teamwork and participated in a range of fun activities including rock climbing, aerial, inflatables zone, interactive screens, and team games! Well done to our Leadership team who represented Westport so beautifully!

## Principals Corner

The end to a long but incredibly successful term is drawing near. What a term it has been ❤️.

Looking through our events so far, I cannot imagine squeezing anything else in. What fun we have had. 🎉

Our students as always, have been joyful. Their behaviour, kindness and grit amazes us each day. They deserve a well earned rest over the holidays.

To all our families, thank you for your support over the term. We look forward to seeing you all back refreshed for a fantastic Term 2.

## Harmony Day

Throughout Week 8, students and staff celebrated Harmony Week. We discussed the importance of diversity and inclusivity with classes representing their learning in various ways. On the Friday, the whole school celebrated Harmony by wearing orange and engaging in fun break time activities. In our assembly, students shared their learning of Harmony Week and what kindness means to them. It was absolutely amazing to see so much orange around the school yard and the joy this special week brought to our community.

## Sports Day

Get excited. Sports Day 2023 is almost here. ❤️🟡🟢🟣

This Friday our students will participate in our traditional Sports Day. This event is a fan favourite, and one cherished by our community.

Students are encouraged to wear their Tribe colours, ensuring that clothing and footwear is appropriate for participation in physical activities. Coloured hair **MUST** be prepared at home as spray cans are not permitted at school. Coloured zinc can be applied at school.

Parents and family members are very welcome to come along as spectators and cheer the students on. As this event is for Westport students only, all other school aged students must not attend and will be asked to leave immediately.

We look forward to celebrating this wonderful event with you.

## Shark Cup

Shark Cup baseball tournament was held last Wednesday at Seaton High School. We had a large group of Year 5 and 6 students, forming 4 teams on the day. These students were passionate about the game and eager to show off the skills they had developed over the weeks of training. Although not all teams achieved the results they had hoped for, the players displayed exceptional teamwork and encouragement throughout the competition. Overall, Shark Cup was a success, not just because of the quality of baseball on display, but because of the spirit of sportsmanship that prevailed throughout the event. A special shout out to the four team MVP's - Sereen, Toshana, Arleena and Ruby!
